ABOUT THE STATE

S. E. Pope of Jeffersonville has been elected a director of the New England Hardware Dealers' association.

Among rural free delivery mail routes ecently established is one in Worsester (additional service, route 2), length 18 miles, serving 80 familles. The Rev. S. W. Bidwell of Middlebury

eays that in all his 99 years he has not seen a winter like this one, so warm, so little snow, and so much rain. He propherics an early spring. According to statistics compiled by Dr. Henry D. Holton of Brattleboro, secretary of the state board of health, deaths from tuberculosis in Rutland are on the

beline. In 1904, 66 deaths were caused

from this disease, while during 1908 only

46 deaths were reported, each intervening year showing a decrease. Many inquiries have already been made for places to rent at Bennington Center next season. So far as known, only one piace remains unleased, 'The Priory' property, owned by Miss Mary Sanford and including the Aifred Robinson homestead and the John Bahan property. A lively season is anticipated at the sum-

mer colony. H. G. Thomas of Stowe, state fish and game commissioner, reports 20 deer kill-ed thus far this month by dogs or bob Commissioner Thomas was in Montpeller Monday in consultation with Attorney General J. G. Sargent in regard to fishing privileges in Lake Bomoseen some changes in which were made by the last legislature,

T. M. Harrigan, who is employed in T. M. Harrigan, who is employed in the office of the Woodstock Inn at Woodstock, has applied for a patent on a "drop chain insulator." The invention is designed to obviate the chance of a shock in using electric lights with pull sockets, which are not now allowed in horse attached to the baggage aled because of a hatbrooms or places where there is danger of contact with metal across the trucks. Ball jumped on the or moisture. other material, is made so as to be easily the same time the locomotive hit the attached to any chain, thus supplying an sled, freeing the horse and throwing Ball insulated guard for the hand.

raiser in Burlington. They weigh as and the horse was caught by one of much as turkeys, are only a little over the crowd standing near. a year old, and are very tender, and, with even these points to recommend them, they are selling for 22 cents a pound. These fowls, which are called Black Cochin hens, weigh from eleven to twelve are hard to get just now and are not of very good quality, the demand for the been delirious. Mrs. Dike was a Christowls exceeds the supply.

Rickert & Wells Guarantee to Cure Dyspepsia-If They Fail, the Medicine Costs Nothing.

To unquestionably prove to the people of Barre that indigestion and dyspensia s curable and that Rexall Dyspensia l'ableta will effect the cure, we will furnish the medicine absolutely free if it fails to give complete satisfaction to volume is the Orderly Book of the Thiranyone giving it a trial.

REAL ESTATE FOR SALE.

Great Bargain is Offered Through F. B. Cate Agency

sufficient growth to supply for all purposes except m for all purposes except making steam. The hay field produces enough to keep what horses and cows are necessary. We have always raised our own vegetables to supply the bounding house. The land has a 2,000-foot-frontage on Picasant River Bay, with a wharf and 14 feet of water-enough to load a vessel earrying 450 tons. It is open water and has never had to be

redged and never will have to be. QUARRY-Opening in side of hill 60 feet high, and of sheet and boulder formation. As it is situated it has many advantages, being only 100 yards from the wharf or shipping point and connected with sailroad tenck on a down grade, so the stone runs to wharf by gravity. Waste stone is got rid of in same way by track of equal length and stone dumped over end of car into the hay. The beds are 10-0 to 20-0 deep and many of them very open.

WHARF-Built of stone and timber

and with derrick, large enough to store 200 tone of rough stops. MILL-125 x 50 feet, shingled. rontal tubular boiler, 2 gang saws, 2 ripsaws of Lincoln Iron Works make, 2 pollshing machines, 3 polishing machines not set up, grind stones, new column lathe not set up, column polisher. A traveling derrick carries the stone from the saws to the polishing mill and from

the saws to the polishing mill and from STONESHED-Is connected with quarry by railroad track, which runs into center of same. Saw blocks are also cought from quarry on same track and picked up with mill derricks to be placed

BLACKSMITH SHOP-Complete tools for sharpening and repairing chains for quarry, hammers, drills, etc. DERRICKS-Quarry derrick has work og capacity of 15 tons and is operated by steam hoist. Mill derrick will handle 10-ton saw block and operated by hand winch. Wharf derrick lifts about 8 tons and has hand winch or horse hoist. Trav-

eling derrick is good for 3 tons and has

ull circle swing.

BOARDING HOUSE-110 x 25 feet story and a half, 12 bed-rooms on second floor; office and store, smoking room for men, dining room, kitchen and store-room on first floor. All spruce ceiling ighout and brick floors, brick cellar, BARN-40 x 40 feet with stone cellar Holds hay enough for use at the plant. COTTAGE—9 rooms for workmen or foreman. Could rent to two families. COTTAGE—Built in 1996, shingled exterior with hardwood floors and stained

or, fireplace and stone chimney. CONTRACTS-On hand for two cargoes of rough stone. One to Quincy, Mass., for random stone at \$1.00 per foot and one to New York at \$1.50 per foot for dimension stone F. O. B. wharf.

MATERIAL—Anyone acquainted with granite for monumental purposes will recognize its merits. Polished surface is

blue black, while hammered surface is a bright gray, giving a greater contrast between the two surfaces than in any other granite in use. Lettering the surface is a bright gray giving a greater contrast gray store.

PASSELE—A steel range to first-class condition, will sold cheap. Inquire at Kendrick's gray other granite in use. Lettering etc., shows very distinct. We believe we are safe in our statement that carving with air tools can be done more rapidly on this stone than any other rapidly on this stone than any other and on account of its toughness difficult work not possible in other granite can be executed with age and a feet of the care or with me as all highland avenue. C. Carleton. executed with ease and safety.

PRICE-Of the property and good will is \$25,000, payable in each \$10,000 and 5year 4 per cent, mortgage for balance

The town relates our taxes se it costs us only \$38 to \$42 per year. Inquire of F. B. Cate Real Estate
